### Instructions to fill the application form:

- (1) Please fill each field in BLOCK LETTERS
- (2) Mention your detail along with the name of the university/institution and the degree programme in appropriate boxes
- (3) Use appropriate section according to type of the project  
Eg: For individual project, tick the "For Individual Proposal" box
- (4) Give a brief description about your/your team project including following aspects;
  - a. How your invention relates to environmental protection & conservation
  - b. The way your project addresses the 3R concept (Reduce, Re-use & Recycle)
  - c. Technology of the project
- (5) Enclosures for individual applicant/each member of the group:
  - a. Copy of University Identity Card
  - b. Copy of National Identity Card
- (6) Make sure to place the signature of individual applicant/team leader
- (7) Send in your duly filled application form with the signature and the stamp of the Dean/Head of the Department
- (8) All Sri Lankan undergraduates who follow a degree programme approved by University Grants Commission are eligible to apply for the competition.

**Note: Selected candidates will be invited for a workshop, which will provide comprehensive guidance to prepare yourself for the final project proposal.**
